Dear Pre-Admission Screening Teams:

The Department of Medical Assistance Services will be conducting a series of training seminars for Pre-Admission Screeners. Each seminar will include the following topics:

- General Overview
- Case Studies
- Early Periodic Screening Diagnosis and Treatment (EPSDT)
- Q&A's

We have scheduled six seminars, which will all cover the same information. Each seminar will focus on the new changes within the program. Should you have specific questions, please e-mail: melissa.fritzman@dmass.virginia.gov by September 16, 2005, and she will include the answers during the presentation.

Attached you will find the registration form, dates, times and location and for the seminar. Please register for only one session. The seminar site has limited space available and registrations will be handled on a first come, first service basis. The completed registration form must be received in our office 5 business days prior to the scheduled seminar. **You will be contacted ONLY if it is not possible to accommodate your registration request.** Please mail or fax your request as designated on the registration form. It will **not** be possible to accept seminar registrations by phone.

We look forward to your participation. If you have questions regarding this training, please call (804) 786-1428.

Sincerely,

Michelle Watts
